5. If what is stipulated in the agreement and/or the associated information is in conflict with the RECRON-conditions, the RECRON-conditions apply. This leaves unaffected that the recreation taker and the entrepreneur can make additional arrangements whereby, to the advantage of the recreation taker, these conditions are deviated from.

6. The entrepreneur commits himself to take appropriate measures after the recreation taker reports disturbance caused by other recreation takers.

Article 13: Disputes arrangement

1. The recreation taker and the entrepreneur are bound by rulings of the arbitration committee.
2. To all disputes regarding the agreement, Netherlands legislation is applicable. The arbitration committee, 'Geschillencommissie', or alternatively a Netherlands court, is exclusively competent to hear these disputes.
3. In case of a dispute regarding the adoption or the implementation of this agreement, the dispute must be submitted no later than 12 months following the date on which the recreation taker submitted the complaint to the entrepreneur in writing or in another form to be determined by the arbitration committee.

If the entrepreneur wishes to submit a dispute to the arbitration committee, he must request the recreation taker to pronounce himself within five weeks on whether or not he wishes to present himself for the arbitration committee. The entrepreneur must thereby announce that he will consider himself liberated after expiry of said term.

Wherever the conditions speak of arbitration committee, a dispute may be submitted to the court of law. If the recreation taker has submitted the dispute to the arbitration committee, the entrepreneur is bound by this choice.

4. For the handling of disputes, reference is made to the Regulation of said 'Geschillencommissie Recreatie'. 2. If the entrepreneur has submitted the binding advice for assessment to the civil court within two months after its date of issue, then the possible compliance with the binding advice is suspended until the civil court has pronounced a ruling.
3. For the application of the compliance guarantee it is required that the recreation taker makes a written appeal to it to RECRON.
